4. A baby or a child is considered one person
5. No pets are allowed on board unless with a leash or carrier
6. The rates for the indicated yacht charter do not include food and drink
7. BBQ can be done by our service crew complimentary. Please bring along pre-marinated food for the BBQ.
8. The listed rates include stashing drinks and provisions, cleaning and washing up and the use of all our crockery, cutlery and glassware.

## **BAD WEATHER POLICY**

Boating is a rain or shine event. In the event of very bad visibility or lightning, the skipper will or can abort or postpone the charter, then reschedule to the next available date or time. Your safety is our priority. Singapore is geographically close to the equator, rain can always occur partially over the region. Being on a yacht, we will be able to navigate as much around. However, a tropical shower will be fun, too.
